Welcome to Enfield Art Circle's 90th annual exhibition. We're delighted that the exhibition is once more a live event, having run online for the past two years during the pandemic.

Enfield Art Circle is a community organisation that has provided a focus for practising and learning about the visual arts in Enfield since 1932. EAC members range from professionals through to complete beginners, and all are welcome to join.

More than 170 original works from local artists are on display here, many of which are for sale. The show includes work in a range of different mediums, including oil, watercolour, acrylic, gouache, digital and mixed media, as well as sculpture and ceramics.
